

2016 EAA National IT & Engineering Compensation Survey

National & local pay data for IT & Engineering positions

The 2016 EAA National IT & Engineering Compensation Survey, published in October of 2016, reports presents total compensation data, with breakouts for base and variable pay provided by 1,275 participating organizations across the country, including 22 organizations from here in Northeast Ohio, for 36,894 individual employees across 175 positions. In addition to total responses, positions include breakouts for region, industry, sales/operating or asset size, and employee count, allowing users to more closely match the market segment.
